

OAK HILL
RANCH

2012 ADEQUAN/USDF
Dressage Breeder of the Year

Oak Hill Ranch serves breeders and riders who are seeking superior quality sport horses that excel in dressage, jumping and eventing. We are committed to producing horses that can compete in today's sport horse industry without sacrificing the conformation, temperament and structural soundness that are demanded by the European Warmblood registries.

Oak Hill Ranch offers breeding services that include: mare management; live cover, artificial insemination with fresh, chilled or frozen semen; on-site or shipped embryos for transfer; freezing of embryos and freezing of semen. We also offer assisted foaling, imprinting, foal handling, and boarding with our own youngsters until you're ready to take your baby home.

We provide semen from some of the best Danish-approved stallions.

LANDTINUS
(Landadel x Utopia - Argentinus)

The Elite Danish stallion, Landtinus, combines noble, elegant long legs, extremely good movement and top performance in jumping and dressage. A truly superior stallion.

Approved in Danish Warmblood, German Oldenburg Verband and Hanoverian Verband.

DON CARUSO
(Don Schufro x Bordeaux - Bolero \ Wendekreis)

Don Caruso sired the 2010 Gold and Silver Medal Dressage Young Horse Champions in Herning, Denmark. He himself was Reserve Champion stallion as a 3 and 4 year old, beaten by his brother, another Don Schufro son.

Don Caruso is approved Danish and German Oldenburg Verband.

*R*AMBO — (Racot DH 276 x
Vigga DH 1849)

Though recently deceased, Rambo still figures greatly in our breeding program. He was a prolific sire who made an amazing impact, and we proudly market and manage many of his talented offspring.

Approved: Danish Warmblood Society; International Sport Horse Registry (ISR)/Oldenburg; Swedish Warmblood Society; American Warmblood Registry; Dutch Warmblood Society; German Oldenburg Verband.

“It takes a team to produce an equine champion.”

As part of that team, I critically analyze the movement and temperament of all young stock, and take pride in training and representing Oak Hill’s exceptional young horse prospects. I also directly benefit from Oak Hill’s ongoing relationship with Heather Blitz, incorporating her biomechanics approach toward riding and training to create well balanced, responsive, and competitive equine athletes.”

*—Regina Milliken,
Oak Hill Ranch Head Trainer*

Train your horse at Oak Hill Ranch. We have openings for training a select few outside horses. Our program covers the fundamental basics all the way through the FEI level. We can also train your horses for in-hand breed competitions. Our trainers are committed professionals who strive to enhance your horse's qualities through all handling aspects.

Need foal care? Oak Hill Ranch offers professional foaling out services for your mare, including imprinting and subsequently teaching to lead, clip, tie and overall handling in preparation for the farrier and veterinarian.

We also provide a safe pasture environment for young prospects, integrating them into herd socialization.

As a full-service breeding and training facility, Oak Hill Ranch offers select horses for sale from our private collection, from weanlings and broodmares to advanced dressage horses.

Client sale horses are also available; these are typically offspring of stallions we have represented or other stock purchased from us for resale.

Boarding is also available in our beautiful barns with plentiful turnout, well managed care and access to hacking trails.

Our facility boasts a covered round pen, a 25 x 60 meter covered arena with superior footing and mirrors, and an outdoor regulation-size dressage arena with a galloping track.
